

# Care+

A DAF MultiSupport Care+ package takes care of comprehensive preventative maintenance based on a pre-agreed monthly fee. With DAF MultiSupport Care+ your servicing dealer provides far more than just maintenance. Through experience and knowledge, the DAF technicians know how to detect any signs of potential future operational issues. By their timely remedial actions, costly breakdowns can be prevented.

## DAF Care+ Contract Includes:

- The Care+ contract covers all the regular maintenance required to keep your vehicle on the road and maximising revenue
- The service plan is individually tailored to match each specific vehicle's operating conditions
- Our Fleet Services team will ensure your vehicle is booked in for its regular maintenance and health check and provide KPI reporting, giving you peace of mind
- You have the flexibility to arrange legal inspections within your own workshops to protect your Operator's Licence, at a time that suits your business needs
- During the regular maintenance visit to our dealer network, your vehicle will be given a health check ensuring any field actions and outstanding recalls are carried out
- Regular maintenance covers: Annual major service, oil change - engine, gearbox & diff - dependent on contract mileage/duration, valve adjustments at first engine oil change, particle filter clean/replacement - dependent on contract mileage/duration and AdBlue filter element replacement - dependent on contract mileage duration.
- You will have access to DAFcheck, our electronic vehicle maintenance documentation system, which stores all your vehicle maintenance records and provides you with instant access to legible, concise records of your fleet's service history
- Our network of fully trained technicians are familiar with every aspect of your vehicle and only high-quality DAF Genuine Parts are used
