

DAF BACK-UP - THE BEST IN THE BUSINESS

DAF Warranty

A **PACCAR** COMPANY DRIVEN BY QUALITY

DAF

DAF Warranty

In the haulage business, everything is geared to maximise productivity and minimise cost: the highest possible profit per tonne/kilometre.

A package you can rely on

Our Warranty Plus package, alongside DAF MultiSupport (documented on the following page), are the building blocks of the extended DAF Repair and Maintenance package. Designed to offer you a tailor made service proposal that prevents unpleasant surprises and controls your monthly costs, this package will provide total peace of mind.

It's all about supporting the Best Business Proposition with the best product, the best services, and the best organisation behind it.

Vehicle warranty

The cost of repairs that are identified and confirmed as a manufacturing or material defect, may be claimed from DAF, with no charge to the customer.

Warranty falls into two categories; vehicle warranty and driveline warranty. Vehicle warranty covers the complete truck as supplied by DAF Trucks. Driveline warranty is limited to the engine, transmission and driven axles of the vehicle.

Vehicles sold through DAF UK will benefit from the following Warranty Plus cover as basic:

XG & XG+	Warranty Plus - Two year vehicle* Three year driveline	Takes care of all warrantable repairs on the vehicle for two years and on the driveline for a third year, together with associated breakdown coverage.
XF	Warranty Plus - Two year vehicle* Three year driveline	Takes care of all warrantable repairs on the vehicle for two years and on the driveline for a third year, together with associated breakdown coverage.
XD	Warranty Plus - Two year vehicle* Three year driveline	Takes care of all warrantable repairs on the vehicle for two years and on the driveline for a third year, together with associated breakdown coverage.
XB	Warranty Plus - One year vehicle Three year driveline	Takes care of all warrantable repairs on the vehicle for one year and on the driveline for a second and third year, together with associated breakdown coverage.

* Exclusions apply, please refer to our Terms & Conditions.

DAF Services

DAF MULTISUPPORT

Maximise uptime. Increase fleet efficiency. When it comes to flexibility, cost transparency and uptime, a DAF MultiSupport Repair and Maintenance package is your best choice. Tailored packages including pro-active maintenance planning using real time vehicle data, to help you keep your trucks in excellent condition and on the road.

PACCAR FINANCIAL

As DAF's in-house finance provider, PACCAR Financial provides tailored and complete financial services to the transport sector. A unique understanding of your day-to-day business makes PACCAR Financial your partner of choice.

DAFaid

Accidents and breakdowns are an inevitable part of the transport business, even for the best trucks. So it's good to know that DAFaid is just a telephone call away. 24 hours a day, 365 days a year, our team of highly skilled technicians will do everything possible to get your truck back on the road fast. When abroad, DAF ITS (International Truck Services) picks up the baton.

PACCAR PARTS

PACCAR Parts supplies PACCAR genuine parts and DAF genuine parts along with over 100,000 TRP parts for all makes of truck, trailer and LCV, including workshop supplies. From its own distribution centres, PACCAR Parts delivers within 24 hours worldwide.

DAF DEALER NETWORK

With our extensive network of professional sales and service dealers, there's always a DAF representative nearby. Highly qualified DAF technicians have in-depth knowledge of your vehicle, ensuring fast, effective repair and maintenance, using original PACCAR, DAF and TRP parts. This guarantees maximum vehicle availability and high residual value.

PACCAR CONNECT

In our drive for transport efficiency, the new PACCAR Connect Fleet Management Platform can provide realtime information anytime, anywhere, on the performance of both individual vehicles and your entire fleet, logistical processes and the performance of drivers, thereby helping you to optimise your returns.
